Description

Herden Immobilien sells a charming 85 m² flat, located in the sought after area of Illetes, a place that combines the tranquility of the coast with the proximity to the vibrant Palma. This unique space has 1 bedroom, which was originally two, giving you the opportunity to reform it and convert it back into a two bedroom home. Ideal for couples or those looking for a personalisation project.

The flat also has a full bathroom and an open kitchen that connects to the living room, creating a bright and cosy atmosphere. From the balcony, you can enjoy spectacular views over the Bay of Palma, a perfect place to relax with a drink at sunset or simply enjoy the Mediterranean landscape.

Although the flat is in good condition, we recommend considering a partial or complete refurbishment. This will not only increase the value of the property, but will also allow you to adapt the space to your own needs and tastes. With a little creativity, this flat has great potential to be transformed into your dream home.
